

# Peace be with you

*Christ in the room in Covid times*

Online retreat 18 May from 15.00-21.00 (CEST)

This time is exhausting for everybody and more than ever we long and need to go back to our sources and take the time to refresh. As the EBF Mission Core Group, we love to invite you for an online retreat, to take time to refresh and resource. In this short online retreat, we focus on the words of Jesus to the disciples in John 20:19-22: Peace be with you.

In three sessions, we will discover how these words of Jesus resonate in our lives. We will do this by listening to short reflections and 'inspirational's, there will be time to do reflective activities on our spots and share our experiences with the activities in small groups.
